EXPERIENCE

Full Stack Web Developer | Freelance
2012 – PRESENT
Worked as a full stack developer in a few small projects, including my personal website and others. Enhanced my designing skills by creating sites according to people's design. Tested code in different browsers and mobile devices to ensure cross-browser compatibility and responsiveness. Taken a lot of Web Development Courses both online and other classes to further increase my knowledge.

Mobile Developer | Freelance
2015 – PRESENT
Worked as a mobile developer mainly for Android. Made a lot of apps including Chat App, SAT Vocab App, and many others. Taken a lot of Android Development Courses both online and other classes to further increase my knowledge.
